Local: VCH-2209

Email: steven.golovkine@mat.ulaval.ca

Availability: I am available to meet with you by appointment by email or without appointment from Monday to Thursday between 8am and 10am.

The University recognizes the right to disconnect of professors, lecturers and other teaching staff. This means that they are not required to check messages sent to them (email, voicemail, forum messages, etc.) during evenings, weekends and vacations. The person who has sent a message during these periods should therefore expect to receive a reply within a reasonable time, calculated from the resumption of normal working hours.
